

Light-
ning?

ドオニ

Oh
my,

you're
awake
early
today,
aren't
you...?

ドオニ

Mother
mmm!

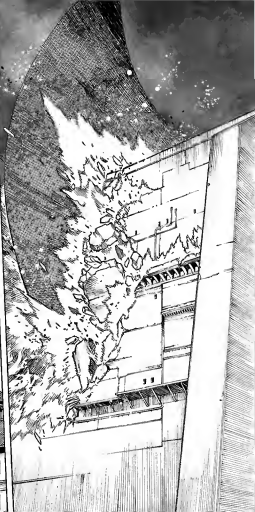

What
an odd-
looking
sky.

Or
some-
thing like
that.

It's
probably
the
morning
light.

ドオニ

ドオオニ

Doesn't he realize we've been invaded !!?

What the hell's our Norton doing! ?P

It's pretty big when you look at it in person.

The first wall has been penetrated !!

Even if we mobilize a million soldiers, it won't stop!! Or are you saying we should get everyone to cling onto their legs! ?P

Isn't there still something we can-

Let's move to the outside of the castle!!

Citizens, begin evacuating towards the center!!

I've got considerable confidence...!!

There's nothing more we can do besides leaving the rest in Norton's hands!!

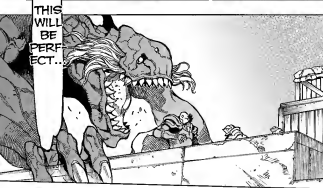

There are beasts following the Demon King..

That doesn't mean we should run!!

Prepare for the second wave!!

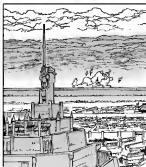

This will be perfect if he doesn't lose his nerve...

THIS WILL BE PERFECT...

We'll recruit
friendlies to
form a team.

We can
only
launch a
surprise
attack.

"Quality"
P

What a odd
expression.

Don't
you mean
"quantity"
P

Will,
what
ever.

Okay,
so what
should
we do?

and lure
out an
opening...

And, if I
can lead them
effectively and
advantageously
against the
Demon King

That
seems
like a
good
idea.

A team with me
as the leader
and that's easy
for me to lead.

Doesn't
that mean
they're
simply
decoys!/?

I'll take
advantage of it
and destroy the
Demon King.

Well then, let's
fight the
Demon
King
together-

*Piss
off,
cunt!!*

The Company
of Heroes
amounts to
almost 60
people
altogether.

This
guy's more
difficult to
deal with than
I thought.

Please
think of
that as
your only
chance of
winning.

Now...

It's huge!

You can even see
it from here!

They plan to
flee at the right
time, using that
as a bargaining chip
as they leave for
another country.

Half of them
just want the
achievement so
that they can say
they "fought in the
war against the
Demon King."

...This isn't
something
appropriate
for me to say
though, since
I tried to flee
as well.

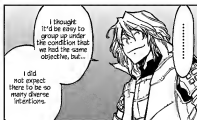

They don't
really have
any morale.

Atsuhiko

If the light
reaches the castle
interior, then.

There are
also some
among them
looking to take
advantage of
the chaos to
steal treasures
from the
castle.

Roughly One Hour Prior to the Demon King's Arrival

Yomi, who headed off to the estate of this so-called "Lord Norton",

probably has something... to handle the guy who made the cannon and the sacred little girl, huh?

Yomi!

Yomi?

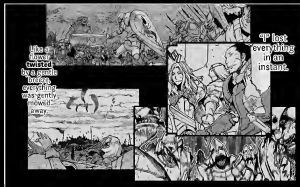

Is it

time?

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years

escaped as
it rained on
a mountain of
corpses.

"I",
the sole
survivor.

Very
odd.

It felt
odd.

It felt
something.

Yet, I
continued.

All the
while I was
crying and
screaming.

was
I the
only one
alive?

Why

To be accurate,

we should call it your "bloodline."

"Bloodline?"

After, I scurried back to the Imperial Capital.

I had some mages and the like studying me.

As you say.

It's a bit more of a rare case,

but it's like how kings remain kings.

Like a person who doesn't fall ill even to epidemics.

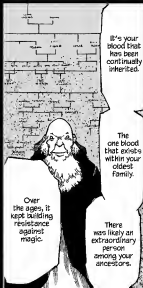

does that mean my child's blood will be even stronger?

"Over the ages", you said?

that case,

It's your blood that has been continually inherited.

The one blood that exists within your oldest family.

Over the ages, it kept building resistance against magic.

There was likely an extraordinary person among your ancestors.

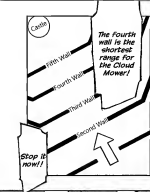

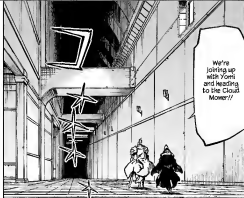

Is the
Demon King
that scary
to you?

General-
war!

We're
joining up
with Yohji
and heading
to the Cloud
Mower!!

What
should
we do?

We can
really defeat
the Demon
King, right?

There's a
chance that
the lesser
demons may
proceed first
to invade the
inside of the
castle!

Guard
the cannon
as it fires!

**Kill
them!!!!**

*These
guys aren't
humans!!
They're
demons!!!*

This
feels
a little
odd,
but...

The only
man who
has actually
squared off
against a
Demon King
says so!

Are
they really
demons?

What
should
we do?

As
if!

It's a
time of
emergency!
Forgive
us!!

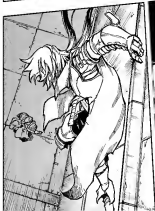

Sorry
if we're
mistaken!!

Can't
you
change
your
body?

The soul
and the
body are
insepara-
ble.

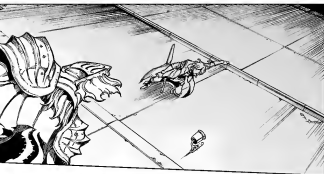

DON'T
GET

ANY
CLOSER!

OH MY...
YOU'VE
MISTAKEN
ME FOR
SOMEBODY
ELSE!

PLEASE
ALLOW ME
TO WORK
TOGETHER
WITH YOU!

I need
this man

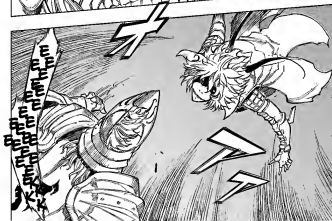

WON'T
YOU

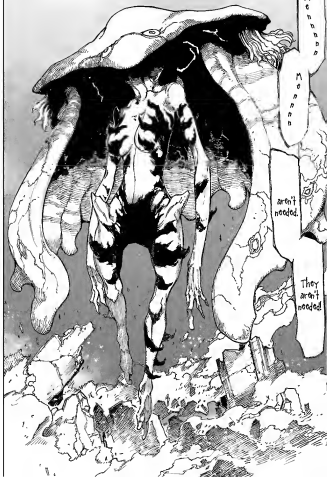

I don't
know how
to operate
the cannon
or how the
machinery
works

There's
no time
